

Awakening to the miracle that is the church

9Marks exists to equip church leaders with a biblical vision and practical resources for displaying God’s glory to the nations through healthy churches. We want to see churches established that reflect the character of God.

We do this by creating resources, hosting events, and fostering networks of like-minded pastors, all centered around nine biblical ideas: Expository Preaching, Biblical Theology, the Gospel, Conversion, Evangelism, Church Membership, Church Discipline, Discipleship and Growth, and Biblical Leadership.

In 2015 God helped us present a biblical vision of the church to many pastors and church leaders. Below are some of the means he used to shape our work.

Isn't He Good?

True biblical worship where the Bible is the focus, pastoral authority exercised with care, church membership with meaningful fellowship and accountability—these are all things found in the life of the church according to the New Testament. That’s what I’ve learned from 9Marks.

> **As we turn to 2016,**

we look forward to engaging unreached pastors all around the world. We hope to help them build healthy churches through book and article translations, training events, and networking opportunities.

In addition to the core, we're focusing on international work and practical tools/training. We want to see church leaders everywhere catch the vision of what it means to lead a church that reflects the character of God.
